TO WHOM IT MAY CONCERN

Dear Sirs,

RE: MOUNT EDGECOMBE INDUSTRIAL PARK : REFERENCE FWJK QUANTITY SURVEYORS

We invested in FWJK's Industrial Co-development project at Mount Edgcombe which has just been completed and advise that we have been very happy with the way that FWJK have undertaken the Co-development process. The project has been delivered under budget and on time and we are delighted.

We have also invested in FWJK's Ridge 5 office development at Ridgeside Umhlanga which is currently under construction and we anticipate that this project will follow on the success of our industrial development investment.

The Co-development process has offered investors the opportunity of purchasing industrial and office space at cost and below market price without having to pay any developer's profit.

We would recommend FWJK to any prospective investor where they are involved.

Regards

Gcina Zondi
